

# Multiwash

## Multi-purpose floor cleaning machine

*Where high quality floor cleaning performance, ease of use, product quality and durability are called for, the Truvox Multiwash range is the most versatile and effective answer.*

### The Product

- A range of products that will wash, mop, scrub and dry in a single pass.
- Lifts dirt from virtually every kind of floor surface.
- Leaves floors ready to walk on in minutes.
- Three different cleaning widths available - 24cm, 34cm and 44cm

### Features

- High-speed productivity.
- Massive savings on chemical costs and water.
- Wall-to-wall cleaning that reach into the tightest corners.
- Excellent manoeuvrability, no heavy pushing, pulling or lifting.
- Accessible and removable tanks for fast solution changes and emptying.
- Quiet in operation.

### Use on any floor type

- Outstanding results on both hard floor and soft floorcoverings.
- Can be used on travelators, escalators and entrance matting.
- Particularly effective in cleaning tile grout and non-slip safety floors.
- Choice of brushes for intensive scrubbing, normal maintenance or smooth glazed floors.
- Side brushes are available and are the effective answer for cleaning right into corners.
