### 2. Order Acceptance

Our order acknowledgement is not a contract and does not constitute an acceptance of your order, but only a record of your offer to purchase a particular item at a particular price. By placing your order, you agree to accept all terms and conditions set forth in the Truvox Terms and Conditions of Sale. The Truvox Terms and Conditions of Sale supersede and override all other terms and conditions that may be applied to any order received from the Buyer.

Truvox reserves the right to accept, refuse, or limit your order for any reason, including, but not limited to, credit review, product availability or discrepancies in the prices and product descriptions posted on this web site. By placing your order, you agree that the total liability of the Seller, under any legal theory or claim, shall be limited to the purchase price actually paid to the Seller for the product giving rise to the Seller's liability.

The Buyer shall fully pursue such claims and if necessary shall recover the sums due by legal process. The Buyer shall if so required by the Seller, allow the Seller to conduct in the Buyer's name legal proceedings in respect of the monies due on the sale of the Goods. Any sums recovered by the Seller as a result of such proceedings (include sums accepted by the Seller in settlement thereof whether or not equal to the sums claimed) shall be applied to the reimbursement of the monies due to the Seller from the Buyer and then to the reasonable costs incurred by the Seller in the course of such proceedings. Any balance remaining shall be paid to the Buyer.
